Skilled Nursing and Rehabilitation Center

Outstanding Amenities

At Country Court, we understand that the smallest details can make the biggest difference. That's why we are constantly evaluating our amenities to ensure that we are exceeding the expectations of the community we serve.

- Private and shared accommodations with climate control
- Short term rehabilitation suites
- Gracious restaurant-style dining
- On-site therapy center
- Resident enrichment and social programs
- Complimentary in-room cable television access
- Indoor & outdoor family gathering areas
- Enclosed courtyard and beautifully landscaped grounds
- Convenient salon and barber services
- Social services & family education

Country Court is approved by the Medicare and Medicaid programs and is considered the preferred provider by most insurance plans.

Experience the Heart of Caring

Welcome to Country Court

Locally owned and operated since 1976, Country Court is proud to serve individuals within Knox County and surrounding communities. Our team is comprised of the finest administrative, medical and nursing, therapy and support staff in the area; all dedicated to making a difference in the lives of those we serve.

Our most recent accomplishments are:

- ★ **Average more than two hundred return to home successes per year**
- ★ **Launched first skilled nursing facility-based cardiac rehabilitation program within Knox County**
- ★ **Caring collaboration with The Living Center for home task training and independent living services**
- ★ **History of high resident and family satisfaction ratings in Knox and surrounding counties**

State of the Art Rehabilitation

At Country Court, our comprehensive on-site rehabilitation program consists of licensed physical, occupational and speech therapists. These professionals work closely with each resident, physicians and nurses to develop a personalized treatment plan to promote his/her highest level of wellness and independence.

Our therapy team specializes in:

- Hip and knee replacement therapy
- Cardiac Rehabilitation Program
- Stroke recovery
- Pain management
- Prosthetic/orthotic training
- Specialized equipment
- Outpatient therapies
- Home safety evaluations prior to discharge
- Strength building
- Family/caregiver training
- Therapy outcome reports
- Home task training
- A case management approach to care

Comprehensive Nursing Care

Our licensed nurses, supported by specially trained care assistants, create our outstanding clinical team. Many of our dedicated team members have been serving our community for more than 20 years!

Our areas of expertise include:

- Progressive wound care protocols
- Pain management expertise
- Post operative care
- Hospice programs
- Person-centered philosophy
- IV therapy
- Short term/respite & caregiver breaks

Convenient on-site medical care services include: physician, dental, podiatry, audiology, psychological, optometry, x-ray, laboratory, oxygen and pharmacy services.
